

# My 2nd Grade Tower Garden® Journal

**My Name** \_\_\_\_\_

# Building the Tower Garden

Draw pictures of the Tower Garden parts and their measurements.

# The Design of the Tower Garden

Draw the Tower Garden and how  
the plants get water.

# The Design of the Tower Garden

How do the plants get water  
in the Tower Garden?

Handwriting practice lines consisting of six horizontal black lines with circular end caps.

# Four Lettuce Choices

Draw a picture and bar graph of your 4 choices.

A large, empty, rounded rectangular box with a thick black border, intended for drawing a picture and a bar graph.

# Gardening without Soil

Write which soil-less gardening system you think is best and the steps you will take to do your research.

# Growing System Findings

Record your growing system findings

Eight horizontal lines for recording findings, each starting and ending with a black dot.

# Salad Party Day

What did you like or not like about the lettuce?

Eight horizontal lines for writing, each with a black dot at the left end and a black semi-circle at the right end.

# Companion Curriculum

Thank you for using this journal. 1st grade companion curriculum is available at [www.teacherspayteachers.com/Store/Tgardener](http://www.teacherspayteachers.com/Store/Tgardener)

Email [support@tgardener.com](mailto:support@tgardener.com) with curriculum suggestions or questions about teaching with your Tower Garden. I'd love to help!
