## Frequently asked questions

### What is a Purchase Order and who submits it?

**\*Purchase Order (PO)** is a document issued by a buyer (the school placing the order) to a seller (The Juice Plus+ Company), indicating how many Tower Gardens and accessories they are purchasing. A physical copy of the Purchase Order is required.

- We only accept POs from schools and educational organizations.
- Purchase Orders serve as an agreement to remit payment for products within 30 days. We ship the order prior to payment and invoice the school. The Accounts Payable information is **required** for invoicing.
- If payment is not received within 90 days, the transaction is submitted to a collections agency.

### Why is a document required if a school is tax exempt?

**\*State Issued Tax Exempt Certificate** – Many states grant sales tax exemption to schools and educational and nonprofit organizations. In order for us to remove taxes from an order, we must have the State Issued Tax Exemption Certificate on file. The ship to address must be the same as the address on the State Issued Tax Exemption Certificate. *\*501(c)(3) forms are for Federal Tax Exemption, not for state tax, and cannot be used in lieu of the State Issued Exemption Certificate.*

- We are unable to remove taxes on online orders. Please submit via fax or email along with the School Order Form and all other required documents.
- These states do not have sales tax or do not allow tax exemption status for schools: Arizona, Arkansas, California, Delaware, Oregon, Montana, New Hampshire, North Carolina, and South Carolina.

### I sent in an order and neither the school nor I have received an Order Confirmation?

- An email will be sent to confirm that your order has been received.
- Please allow 5-7 business days for the order to be processed and shipped.
- An Order Confirmation email will be sent to the teacher and to you once the order has been processed. Once shipped, an email with the invoice and tracking information is sent to the teacher, the billing contact, and you.
